A Chaplain’s Message

A First Issue. This is the first issue of a newsletter from your Chaplaincy. It’s purpose is to communicate special events as well as regular devotions in the spiritual life of our College. Suggestions to improve format and content are most welcome. Thanks to Joan Short for providing the crossword puzzle, and we hope to develop a little cartoon for each issue, featuring your favorite TAC characters. If you would like to help, please talk to Fr. Illo.

Lent Amidships. We have entered the middle part of Lent, with Laetare Sunday this week. Are you sailing straight and true, with a brisk wind at your stern? Perhaps you are becalmed. Maybe you need to get the oars out and bend your back to rowing. Palm Sunday will be upon us within a twinkling, so don’t lose steam now! Consult that Lenten Plan you have written, early and often. Joyful and brisk prayer, fasting, and almsgiving, will bring us in good shape to the Sacred Triduum.

St. Joseph’s Day is March 19. It is one of those little islands in Lent, along with the Annunciation (postponed to April 8 this year) and St. Patrick’s Day. St. Joseph presides over our Commons, the first permanent building erected on our campus. St. Joseph is also the patron of our Pope Emeritus, our Archbishop, and one of our chaplains.

Ita ad Joseph.
Sancte Joseph, Ora pro nobis!
